

SUMMER

www.DiscoveryCtr.org

Stories Alive "A Taste of Acting"

Children will create a prop and/ or simple costume and act out favorite characters from familiar stories. This program combines arts n crafts and acting. Each series is different so we invite you to take this over and over again. Added bonus: 6 year old children who have completed this program and are able to read are able to participate in the very popular Discovery Center Players, an all child acting troupe. Meets (3 weeks / 45 minutes each week) in Mahopac at the Discovery Center 854 Route 6 (3 weeks / same day) Cost **FREE** with a stub from one of our plays (must register by 4/30/08) Or \$ 45 (\$39 members)

Ages 4-8
Tuesdays July 1,8,15 10:00-10:45

The summer Musical Book and lyrics by Shubert Fendrich Book, music and lyrics by Steven Fendrich and Christopher Mohr

Pompadours and Poodle Skirts

June 20 - July 18

Directed by Vicky Barbalato / Produced by Carolyn Adams

Curtis Jackson, a rock 'n' roll star, pays an unlikely visit to the humble community of Victor. Our disguised singing star meets a bundle of wacky characters: Alex, the all-state football hero who is kidnapped before the big game by a greasy motorcycle gang; Tillie Thompson, the dense waitress who runs the local malt shop; a winsome, yet awkward couple, Wilbur and Bertha, who find mutual love in the stars. And who can resist rooting on a trio of cheerleaders who can never hold themselves back. Bring in hysterical impersonations of Elvis and Buddy, topped off with pompadours, poodle skirts and a sensational score of original rock 'n' roll songs, and are in a fabulous fifties smash hit.

This summer join the fun as a Discovery Center Player and perform on July 18th. Discovery Center Players are 6-15 years old and must be able to read. Meets at **Croton Falls Community Church on Rt 22 near train station**

Please call (845) 621-1260 ext 306 to let us know your form is in the mail so we can order a script for your child.

Friday June 20th is "casting" at 6:30pm

Children will read for parts
